

**Membership Pledge
Total Sunshine Team**

I pledge to not litter, to apply peaceful resolution of any conflict, to attempt to safely diffuse any potentially violent situation, to assist any elderly person in public requiring help with crossing streets or carrying packages, to perform at least one intentional act of charity per week, to present myself in a respectable manner in public, to encourage others to smile, to wish strangers well, to treat others in the manner in which I wish to be treated, to support TS activities through spreading information or attendance at events, and to attempt to brighten the days of others in any feasible way.

With this solemn pledge, I commit myself to be a light to my fellow man (and woman)-- so help me God.

Hooray!!!
